

To See & Value Every Person

Patients of Peninsula Community Health Services come from all walks of life. Our medical and dental services are available to all patients, regardless of ability to pay.

PCHS accepts new patients and all insurance plans. We have a sliding fee discount program for qualified patients.

As a certified Patient-Centered Medical Home and accredited federally qualified health center, we provide our community with skilled health care professionals who work together for the benefit of our patients' overall health.

Peninsula Community Health Services complies with applicable federal civil rights laws and does not discriminate on the basis of race, color,

www.pchsweb.org

Providing services to our communities with our patient-centered approach to care.

Peninsula Community Health Services

Our collaborative approach to health care means we are able to consult with fellow professionals on our patients' medical needs and refer to specialists in house and in the community. We focus on preventing chronic disease and providing patients' quality of life.

DENTAL

Specializing in infant and child dental care, we provide dental services to all communities served by PCHS.

Together, we can build a foundation for a healthy smile from childhood through adulthood.

We Offer

- Dental education and information
- Digital x-rays
- Emergency care
- Oral examinations
- Oral hygiene
- Preventive care
- Referral services for specialized care

MEDICAL

We provide comprehensive, primary medical services for both children and adults, emphasizing a holistic, patient-centered approach to medical care.

We Offer

- 24 hour on-call care
- Behavioral health care services
- Breast, cervical, colon health care
- Cancer screening
- Chronic disease care
- Diabetic eye exams
- Dietitian counseling services
- Family planning and pregnancy testing
- Health education and information
- Insurance eligibility and enrollment
- Minor surgery
- Newborn and well child care
- Routine physicals, immunizations and flu vaccines

BEHAVIORAL HEALTH

By focusing on a patient's behavioral health when needed, we are able to cover the whole health of the patient. Our primary care providers work along side our licensed, certified counselors to address the individualized needs of our patients.

We Offer

- Care coordination with primary care providers
- Counseling for depression, anxiety, and trauma
- Medication-assisted treatment
- Substance use treatment
- Tobacco cessation, weight management, diabetes management, and sobriety support

PHARMACY

We are dedicated to helping our patients access affordable prescriptions. The close interaction between the pharmacy team and your provider means that each prescription gets a thorough check for drug and disease interactions.

In Addition, We Offer

- Anti-coagulation management
- Diabetic self-management
- Hypertension management

PCHS has pharmacies located in the following medical clinics: Bremerton (6th Street), Wheaton Way, Port Orchard, Poulsbo and Belfair.

We accept Washington Apple Health, Medicare, Veterans Choice Program, all major insurances, and offer a sliding scale discount for qualifying patients. Services are available to our patients without regard for ability to pay; a payment plan can be created or other resources may be available.
