

Quick Response Team (QRT)

Mobile Services

- On-site Substance Use Disorder (SUD) assessments
- On-site individual counseling
- Coordination of treatment and recovery support services
- Patient education and support
- Family education and support
- Transportation to coordinate care
- Help with insurance enrollment

Our Mission

The QRT program provides support to Mason County residents affected by substance use disorders. We strive to break down barriers to service and instill hope for sustainable recovery. Our team connects individuals and families to resources with a focus on education, counseling, care-coordination, and overdose prevention.
